PARTIES, JURISDICTION AND VENUE

1. Plaintiff Young Living Essential Oils, LC (“Young Living” or “Plaintiff”) is a Utah corporation with its principal place of business in Lehi, Utah.

2. Defendant Richard David Strawcutter (“Strawcutter” or “Defendant”) is a resident of the state of Michigan.

3. Defendant is also known as Rick D. Strawcutter and Pastor Rick.

4. Defendant does business as Essential Biblical Health Products, Pastorstraw, and Secrets of Eden.

5. Upon information and belief, none of the “dba”s in paragraph 4 is a registered business entity in any jurisdiction.

6. This Court has subject matter jurisdiction pursuant to 28 U.S.C. § 1332 because there is diversity of citizenship and the amount in controversy exceeds \$75,000 exclusive of interest and costs.

7. This Court also has subject matter jurisdiction pursuant to 15 U.S.C. § 1121(a) and 28 U.S.C. §§ 1331 and 1338(a) because there are federal questions.

8. The state statutory and common law claims are within this Court’s supplemental jurisdiction pursuant to 28 U.S.C. § 1367.

9. In paragraph 12 of his Distributor Application, Agreement, and Order Form (“Distributor Agreement”) with Plaintiff, Defendant agreed that, “Any legal action concerning this Agreement shall be brought in the state and federal courts located in Salt Lake City, Utah” and that Utah law applies to any dispute regarding the Agreement.

10. Upon information and belief, since 2003, Defendant has purposely directed his activities at residents of the State of Utah using interactive websites to sell products into the State of Utah (including “Secrets of Eden” at <http://store01.prostores.com/servlet/secretsofedenhome/StoreFront> and “Essential Biblical Health Products” on eBay at <http://stores.ebay.com/Essential-Biblical-Health-Products>). **Exhibits 1 and 2**, attached hereto, are true and correct copies of screen shots of these websites.

NATURE OF CLAIMS

Since at least 1996, Plaintiff has been engaged in selling essential oils through a network of distributors. Since 2001 Defendant has ordered essential oils products from Plaintiff. In February 2005, Defendant signed a Distributor Agreement with Plaintiff and continued to order essential oils products from Plaintiff until Plaintiff terminated his Distributor Agreement in August 2006.

This case is about Defendant identifying products for sale with confusingly similar names to Plaintiff’s products, falsely representing that his products are identical to Plaintiff’s products

or, in the alternative, misappropriating and using Plaintiff's proprietary and confidential formulas, and violating his Distributorship Agreement with Plaintiff.

a. Federal statutory causes of action.

Plaintiff has federal Trademark Act claims against Defendant for willful infringement of Plaintiff's registered "Panaway", "Peace & Calming", "Thieves", and "Valor" trademarks for which Plaintiff seeks injunctive relief, statutory damages for willful infringement, interest, costs and attorney's fees.

Plaintiff has Lanham Act claims against Defendant for false and misleading descriptions and representations of fact regarding the nature, characteristics, and qualities of his goods for which Plaintiff seeks injunctive relief, Defendant's profits, Plaintiff's damages and costs, interest, and its attorney's fees.

b. State statutory causes of action.

In the alternative to Plaintiff's Lanham Act claims, Plaintiff has a Trade Secrets Act claim against Defendant for misappropriating and using its proprietary formulas.

c. Common law cause of action.

Plaintiff has a breach of contract claim against Defendant for using Plaintiff's product names and corporate name to promote his independent business without written authorization from Plaintiff, and for using Plaintiff's proprietary and confidential formulas to manufacture competing products. Plaintiff also has claims for tortious interference with business relationships against Defendant for soliciting and contracting with Plaintiff's customers by improper means, for which Plaintiff seeks damages, including punitive damages.

GENERAL ALLEGATIONS

12. Plaintiff incorporates by reference all preceding and subsequent numbered paragraphs and allegations of this Complaint as though fully set forth herein.

13. Plaintiff Young Living Essential Oils, LC (“Plaintiff” or “Young Living”) was incorporated in Utah in September 1996.

14. Plaintiff is a multinational, relationship marketing company specializing in the production and distribution of therapeutic-grade essential oils and essential-oil enhanced products.

15. Among its products, Plaintiff sells essential oil blend products called Abundance™, Aroma Siez™, Grounding™, JuvaFlex™, Live with Passion™, Motivation™, Panaway®, Peace & Calming®, Raven™, Thieves®, and Valor®. Plaintiff began selling each of these essential oil blend products before Defendant began selling a competing product.

16. The formulas for the Plaintiff’s products in the preceding paragraph are proprietary and confidential, and Plaintiff keeps them in a locked room in locked file cabinets, to which only three people have keys.

17. Plaintiff requires its employees and distributors to agree in writing not to disclose or to use the formulas for its products in a competing business.

18. In June 2001, Defendant Richard David Strawcutter (“Defendant”) first ordered Young Living products.

Applicant further acknowledges that its customer lists, distributor lists, manufacturing procedures, formulas, operating, financial and marketing materials, YL Genealogy Reports, Policies and Procedures Manual, and Compensation Plan are YL proprietary property and contain confidential business information and trade secrets. During the term of the Agreement or thereafter, Applicant agrees not to use such

materials and information except to develop his/her YL business pursuant to this Agreement and not to compete with Young Living.

25. Paragraph 12 of Defendant's Distributor Agreement with Plaintiff states:

Applicant agrees that the remedy at law for any breach of any provision of this Agreement shall be inadequate; and that in addition to any other remedies, in law or in equity it may have, YL shall be entitled, without the necessity of proving actual damages, to temporary and permanent injunctive relief to prevent the breach of any provision of this Agreement and/or to compel specific performance of this Agreement.

The Secrets of Eden was launched in 2002 to provide all natural products with a biblical flare. Our first inspired product now called Complete contains a blend of 23 different essential and carrier oils with a 4% oil blend: more than any other. We soon branched out into healthful products and getting miraculous testimonies almost daily. Essential oils and herbs are our mainstay and we now have a small store front at our newer laboratory facility located in the heart of rural Adrian Michigan. We are open to the public daily. If you are ever in Adrian, stop by and see us. Sample our products or just hang out and munch on popcorn salted with healthful celtic sea salts. Call us at 1-517-263-OILS for directions or any other inquiries. And we pray that the Lord Jesus Christ richly blesses you and your family. Also check out our testimonies on youtube.com. Applicant confirms that he/she is of legal age and capacity and can be bound by the terms of this Agreement. Applicant further confirms that he/she is not currently a YL distributor nor has he/she been a YL distributor during the twelve months preceeding the date of this Agreement.
- 2) Young Living may approve or reject this application at its sole discretion and for any reason in accordance with YL Policies and Procedures in effect now or in the future. Approval of this application by YL is authorization for Applicant to be a distributor and to sell YL products. The Agreement to be a distributor and to sell YL products will continue until terminated as follows:
 - a) Applicant cancels Agreement by written notification to Young Living;
 - b) Applicant's account becomes inactive. Accounts are considered inactive when less than 50 PV are purchased or sold within a twelve-month period; or
 - c) Young Living terminates the Agreement because of a violation of the terms of the Agreement, compensation plan, or Policies and Procedures. The compensation plan and Policies and Procedures may be modified from time to time by YL, and Applicant agrees to be bound by such changes.
- 3) Immediately upon termination or nonrenewal of this Agreement, Applicant shall:
 - a) lose all rights to purchase products from YL at distributor cost;
 - b) cease from representing himself/herself as a distributor of Young Living;
 - c) lose all rights to his/her distributorship and his/her participation in the compensation plan, including all future commissions and earnings resulting therefrom, shall terminate; and
 - d) take all other actions reasonably required by YL, including the discontinuance of YL's trademarks and service marks.
- 4) This Agreement does not establish an agency, joint venture, or employer/employee relationship. Applicant and YL agree that this Agreement does not create a fiduciary relationship between them. Applicant acknowledges that he/she is an independent contractor and is not a spokesperson, legal representative, or employee of Young Living. Applicant acknowledges that he/she cannot obligate or otherwise bind YL to any agreement or duty. Applicant shall not be treated as an employee, agent, franchise, joint venture, partner, or owner of YL for federal or state tax purposes. Applicant agrees to assume the responsibility for all taxes coming due or arising from his/her activities as a YL distributor, including, but not limited to, sales tax, state and federal income tax, FICA and Medicare withholdings, and unemployment tax. In addition, Applicant agrees to abide by all state and federal laws pertaining to the sale and distribution of YL products, including the filing of any documents or forms. Applicant indemnifies and agrees to hold harmless YL, its officers, directors, employees, and agents against any liability, claims, obligations, expenses (including attorney fees), or other damages arising out of or in any way related to or connected with, allegedly or otherwise, Applicant's:
 - a) activities as a distributor including, without limitation, any unauthorized representations or claims made by Applicant;
 - b) breach of the terms of this Agreement, Policies and Procedures manual, or compensation plan; or
 - c) violation of or failure to comply with any applicable federal, state, or local law or regulation.
- 5) Young Living authorizes Applicant to sponsor others as YL distributors, preferred customers, or retail customers in accordance with Policies and Procedures. Applicant agrees not to make ANY claims regarding the amount of potential earnings. Applicant agrees not to make ANY claims that state or imply that earnings can be based on the sole activity of sponsoring other YL Members as no compensation is paid for sponsoring. Applicant further agrees not to make ANY claims that state or imply that YL Members have exclusive territories.
- 6) All YL products purchased by Applicant are subject to the warranties and disclaimers applicable to these products at the time of purchase. Applicant acknowledges and agrees that when marketing the products:
 - a) not to make diagnoses of medical conditions;
 - b) not to make claims that YL products will prevent, treat, cure, or mitigate any disease or disease condition in humans or animals;
 - c) not to use pictures, graphic displays, written materials, or make any claims about YL products not contained in YL sales and promotional literature approved by YL; and
 - d) not to make any claims about YL products that can be construed as a drug or health claim.
- 7) The Young Living compensation plan is based upon the sale of Young Living products and services to end consumers. You must fulfill specified personal and downline organization sales requirements (as well as meet other responsibilities set forth in the Policies and Procedures) in order to be eligible for bonuses, commissions, and advancement to higher levels of achievement.
- 8) Applicant must also pay for the products or services he/she purchases when the order is placed. If Applicant fails to pay for the products or services when placing an order, the order will not be processed.
- 9) Applicant acknowledges that Young Living product names, as well as the YL corporate name and logos, are the exclusive property of YL. Applicant agrees not to use trademarks, the YL product names, corporate name, or logos to promote his/her independent business or any other purpose without written authorization from YL. Applicant further acknowledges that its customer lists,

distributor lists, manufacturing procedures, formulas, operating, financial and marketing materials, YL genealogy reports, Policies and Procedures manual, and compensation plan are YL proprietary property and contain confidential business information and trade secrets. During the term of the Agreement or thereafter, Applicant agrees not to use such materials and information except to develop his/her YL business pursuant to this Agreement and not to compete with Young Living. Applicant agrees not to disclose the information contained in those reports to third parties or to recruit, solicit, or otherwise engage other YL members to participate in other business ventures.

- 10) Applicant acknowledges that YL is not liable for any damages or losses caused by the delay or inability to manufacture, sell, or deliver its products due to labor strikes, accidents, fire, flood, acts of civil authority, acts of God, or from any other causes that are beyond the control of YL.
- 11) This Agreement cannot be sold or assigned without the written approval of YL. All permitted successors in interest or assigns must comply with all terms of this Agreement. YL may assign this Agreement at any time.
- 12) This Agreement shall be interpreted and construed in accordance with the laws of the State of Utah applicable to contracts to be performed therein. Any legal action concerning this Agreement shall be brought in the state and federal courts located in Salt Lake City, Utah. In the event any court of competent jurisdiction shall declare any portion of this Agreement to be invalid, the remainder of this Agreement shall not be invalidated thereby but shall remain in full force and effect.
- 13) This Agreement, the Policies and Procedures, and the compensation plan (all of which are incorporated and herein by reference and which may be amended from time to time at YL discretion) constitute the entire agreement between Applicant and YL, supersede all prior agreements, and no other promises, representations, guarantees, or agreements of any kind shall be valid unless in writing and signed by both parties. Only an instrument in writing signed by all parties may modify this Agreement unless otherwise provided for in this Agreement.
- 14) The waiver by Applicant or YL of a breach of any provision of this Agreement shall not be considered to be a continuing waiver and shall not operate or be construed as a waiver of any subsequent breach by either party. Waiver of any term of the Policies and Procedures must be in writing and signed by an authorized officer of Young Living.
- 15) The covenants and obligations of Applicant to abide by the nonsolicitation, the trade secrets, and confidential information covenants contained herein shall survive termination of this Agreement.
- 16) Applicant agrees that upon a breach of this Agreement that YL will be immediately and irreparably harmed and cannot be made whole solely by monetary damages. Applicant agrees that the remedy at law for any breach of any provision of this Agreement shall be inadequate; and that in addition to any other remedies, in law or in equity it may have, YL shall be entitled, without the necessity of proving actual damages, to temporary and permanent injunctive relief to prevent the breach of any provision of this Agreement and/or to compel specific performance of this Agreement.

Peace and Calming (YL) according to Young Living, "Peace and Calming is specifically designed to promote relaxation and a deep sense of peace, helping to dampen tensions and uplift spirits. When rubbed on the bottom of the feet, it can be a prelude to a peaceful night's rest. It may calm overactive children. The oils in this blend have historically been used to help reduce depression, anxiety, and insomnia. It may be a healthy alternative to ritalin.

Four Thieves

15 ml

4-Thieves derives its name from the legend about four thieves during the 15-century plague in England, rosemary, and other aromatics to protect themselves while robbing plague victims.

Thieves is a proprietary blend of Young Living, of pure essential oils tested at Weber State University for antimicrobial properties. Young Living's formula was tested and was found to have a 99.6 percent kill rate against bacteria.

Our 4-Thieves is a duplication of the Young Living formula, using the same oils in similar proportions.

Ingredients: Clove, Lemon, Cinnamon, Eucalyptus Radiata, and Rosemary

Four Thieves is effective when used in a Diffuser for short periods of time, in the work place or home, to the bottom of the feet and ankles or dilute with Olive Oil or Massage Oil Base for a stimulating massage and on the chest at the base of the neck.

4 Thieves is the same formula as Young Living

but reasonably priced.

A Question we are frequently asked is How do your products compare to those of Young Living?

We have no doubt that Young Living products are very good quality.

But our research and investigation satisfies us that there are many sources for organic and "unadulterated" essential oils.

Our products are made with oils purchased from the most reputable sources where each and every batch of oil is multi-tested for purity by Mass Spectrometry and is certified on every oil readily available.

THE BOTTOM LINE IS that we have cracked the code on the ingredients to Thieves and make our product (a duplicate) available at a truly great value, bypassing the multi-level inflated payoffs, and simply delivering to you our customers a truly great value.

THE CHOICE IS YOURS.

Do you want to pay \$34 or \$18 for your Thieves?????????

SKU:

Four Thieves (15ml bottle) is the Same formula as the multi-level company but reasonably priced.

A Question we are frequently asked is "How do your products compare to those of the multi-level company? FACTS ARE the multi-level company only cultivates and distills eleven of their own oils. They have to import the rest of their oils just like the rest of us. This is not to say that there's anything wrong with that, but they imply that they have much higher controls on their quality and procurement. We have no doubt that the multi-level company's products are very good quality. But our research and investigation satisfies us that there are many sources for organic and "unadulterated" essential oils. Our oils are of the highest standards verified by mass spec. and gas chromatography. THE BOTTOM LINE IS that we have cracked the code on the ingredients to Thieves and make our product (exact duplicates) available at a truly affordable price by eliminating all the multi-level inflated payoffs.
