

PROPOSED RESOLUTION 2008 Council -1B, as amended:

RESOLVED, that the Section of Intellectual Property Law, ~~believing that there is insufficient need for greater intellectual property protection than is now available for fashion designs,~~ opposes, in principle, enactment of federal legislation to provide a new limited copyright-like protection for ~~such~~ fashion designs; and NOW THEREFORE, the Section opposes enactment of H.R. 2033 ("Design Piracy Prohibition Act"), 110th Cong., 1st Sess. (2007) (Delahunt), ~~or similar legislation.~~
